

Pioneer for big savings – in time and money

Voice Technologies will be showcasing its newly developed
CRIS interface at UKRC 2011

**6-8th June, Manchester Central Convention Centre, Stand
613**

We are the only company approved by HSS to provide an interface to their CRIS
Radiology Information System

- Meeting the real needs of patients and enables radiology departments to:
 - ✓ *Reduce turnaround times for patient correspondence*
 - ✓ *Meet government targets, while delivering unrivalled performance*
- Offered through the very best in speech technology – SpeechMagic
- Tried and tested by the UK's largest health provider, NHS Glasgow and Clyde – covering all 11 major acute sites – one third of radiology activity in the country

Please visit stand 613 at UKRC 2011 for a demonstration of the new CRIS
interface and for any further information, please contact us at our Sheffield office
on 0114 244 9960 or Paisley office 0141 847 5610 or you can enquire through our
